3rd Grade Market Math Mania

AB PIP STEM

ACTON-BOXBOROUGH PARENT INVOLVEMENT PROJECT
Increasing Community Involvement in
SCIENCE, TECHNOLOGY, ENGINEERING & MATH (STEM)
Education, K-12.

AB PIP STEM is a group of parents, educators and community partners supporting *Science, Technology, Engineering and Math* (STEM) education in grades K-12. For more info about AB PIP STEM including "at home" Market Math activities, visit our website at actonpip.org or send e-mail to actonpip@gmail.com.

WELCOME TO AB PIP STEM MARKET MATH MANIA

We hope you enjoy the activities presented for you and your 3rd grade child today. Complete as many stations as you would like in any order you want. **This is a parent/child event in a public venue. Please make sure that your child remains with you throughout this event.**

You can collect a “stamp” for each Market Math activity station visited on the pass below:

Market Math Station Pass

Station (skills)	Stamp
1. Measure It Up (Measurement/Weight)	
2. The Price Is Right (Guessing/Computation)	
3. M&M Math (Grouping/Sorting/Computation)	
4. Pickle Tasting (Survey/Graphing)	
5. Check It Out (Estimating/Scanning)
